I came in this place so burden down,  
Tried to lift my head but I was bound  
But the Lord our God said to me,  
If I praise Him now I'll have the victory  
So I lifted my hands and opened my mouth and  
immediately God worked it out  
So I lifted my hands and opened my mouth and  
immediately God worked it out (x2)

It doesn't matter your condition let this be your disposition  
It doesn't matter your condition let this be your disposition  
It doesn't matter your condition but let this be your  
disposition

It doesn't matter your condition let this be your disposition

But lift your hands and open your mouth and immediately  
God will work it out

Lift your hands and open your mouth and immediately God  
will work it out, Yes He will

I need somebody's that's waiting on God to do it for you  
I just came to tell you He'll do it immediately

I didn't have to wait for it  
Didn't have to look nowhere  
Didn't have to wait for it  
He did it immediately (x3)

I don' have to wait for it  
(Ad Lib throughout)

Don't wait til the battle is over, don't wait til the battle is  
over, shout

Don't wait til the battle is over, don't wait til the battle is  
over, shout

When did He do it.....immediately (x4)

Don't wait til the battle is over shout
