

You Satisfy My Soul

Verse 1

Upon the cross
Sin was taken
To give us life

All that was lost
Changed by resurrection
For all who come

Verse 2

What I deserve
You have taken
Upon yourself

No longer held
By sins afflictions
You've overcome
You've overcome

Chorus

I will sing to Jesus
I will bring you everything I am,
I give to you alone
Never failing,
God you're never changing
All consuming flame
You satisfy my soul

Ch Tag

Oh, You satisfy my soul

Verse 2

For all You've done
I surrender
No holding back

It's You I want
I'm chasing after
All of your heart
You have my heart

Chorus
